### Sample ballots and information pamphlets on the way for June 3 election

Approximately 880,000 sample ballots and information pamphlets will start going out to voters tomorrow (April 24) for the consolidated primary election on June 3, 2014. About half will be mailed initially, with the remainder sent to voters by early next week.

Material in the pamphlet will help voters make informed choices. Voters may mark their selections on the sample ballot and use it as a guide to help them complete their official ballot at the polls. The Registrar of Voters recommends that voters review the materials before casting an official ballot. If voters do not receive an informational guide in the mail, it will be available on the internet at [www.voteinfo.net](http://www.voteinfo.net) beginning tomorrow. Voters may also call the registrar's office at (951) 486-7200 or 1 (800) 773-8683 to request a mailed copy.

The June 3 election is a countywide election. Registered voters in all areas of the county are eligible to cast votes in this election. For questions about your eligibility to vote, contact the registrar's office at (951) 486-7200.

Voter polling locations are printed on the back cover of the information pamphlet, which includes an application to request a vote-by-mail ballot. A Spanish-language version of the pamphlet also is available at [www.voteinfo.net](http://www.voteinfo.net) and a copy can be mailed upon request.
