## Sample ballots and information pamphlets on the way for Nov. 4 election

Approximately 876,000 sample ballots and information pamphlets started going out to Riverside County voters today (Sep. 25) for the consolidated general election on Nov. 4. About half will be mailed initially, with the remainder sent by early next week.

Material in the pamphlet will help voters make informed choices. Voters may mark their selections on the sample ballot and use it as a guide to help them complete their official ballot at the polls. The Registrar of Voters recommends that voters review the materials before casting an official ballot. If voters do not receive an informational guide in the mail, it is available at [www.voteinfo.net](http://www.voteinfo.net). Voters also may call the registrar's office at (951) 486-7200 or (800) 773-8683 to request a mailed copy.

The Nov. 4 election is a countywide election. Registered voters in all areas of the county are eligible to cast votes in this election. For questions about your eligibility to vote, contact the registrar's office at (951) 486-7200.

Voter polling place locations are printed on the back cover of the information pamphlet, which includes an application to request a vote-by-mail ballot. A Spanish-language version of the pamphlet will be available at [www.voteinfo.net](http://www.voteinfo.net) and a copy can be mailed upon request.

Below is a list of important deadlines for the Nov. 4 election:

- o Oct. 6 – First day of early voting in the Registrar of Voters' office and first day the registrar is allowed to mail vote-by-mail ballots to voters.
