Note: You cannot run for elected office if you have been convicted of a felony involving accepting or giving, or offering to give, any bribe, the embezzlement of public money, extortion or theft of public money, perjury, or conspiracy to commit any of those crimes.

NOTE TO CANDIDATES REGARDING INCOMPATIBLE OFFICES

The Political Reform Act does not prohibit any office holder from holding multiple public offices or seeking more than one elective office. For example, a deputy district attorney can hold the office of city council member, or a water board director may also be elected to a park and recreation district. There are, however, instances of holding more than one office that are considered incompatible.

There is no single statute that defines “incompatibility of offices”. The common law doctrine of incompatibility of offices, however, prevents an elected official from holding two offices simultaneously **if the offices have overlapping and conflicting public duties.**

The courts have defined this concept as follows: “One individual may not simultaneously hold two public offices where the functions of the offices concerned are inherently inconsistent, as where there are conflicting interests, or where the nature of the duties of the two offices is such as to render it improper due to considerations of public policy for one person to retain both.”

The State of California Attorney General’s Office has issued many opinions of particular compatibility questions. Here are six examples of incompatible offices:

1. The offices of city councilperson and school district board member where the city and the school district have territory in common;
2. Fire chief of a county fire protection district and member of the board of supervisors of the same county;
3. High school district trustee and trustee of an elementary school district which is wholly within the geographic boundaries of the high school district;
4. Water district director and a city council member;
5. Water district director and a school district trustee having territory in common; and
6. Deputy Sheriff and county supervisor.

If you have a question about whether two public offices which you hold or seek to hold would be considered incompatible, contact the Attorney General’s office at (916) 322-3360 or visit their website, www.caag.state.ca.us. For further information about conflict of interest or incompatibility of offices, contact the Fair Political Practices Commission’s website at www.fppc.ca.gov, or phone toll free 1-866-275-3772.

NOMINATION PROCEDURES (Continued)

EXTENSION OF NOMINATION PERIOD. If an incumbent does not file by the deadline, the nomination period will be extended **five calendar days** for non-incumbent candidates only. See the entry under **DATES OF INTEREST TO CANDIDATES** in this Handbook.

DECLARATION OF CANDIDACY (Elections Code § 10511)

When completing your Declaration of Candidacy be sure to read it carefully and print or type the information required. Note that it will be signed under penalty of perjury. These are official filing forms. **DO NOT SUBMIT COPIES.** Each candidate must obtain his/her own original documents. Refer to Sample Declaration of Candidacy on page 12.

IMPORTANT: You must file for the office for which you were issued documents. If you change your mind and decide to run for a different office, you must request another set of documents for that office.

Example:

- Candidate originally chose to run for a full term seat and was issued documents for that office.
- Candidate changes his/her mind and decides to run for the short term seat instead.
- Candidate must obtain new documents for the short term office.

NOTE: FULL TERM AND SHORT TERM ARE TWO SEPARATE OFFICES.

NAME ON BALLOT:

There is a place on the Declaration of Candidacy for you to write how you would like your name to appear on the ballot. Your name must be recognizable as the name under which you are registered to vote, though the two need not be identical. You may include a nickname in addition to your name. The law prohibits the use of a TITLE or DEGREE on the same line of the ballot as the candidate's name. (E.C. § 13106)

Example:

A candidate registered to vote as James William Smith may use variations such as:

James W. Smith, Jim Smith, or William "Bud" Smith

BALLOT DESIGNATION (E.C. § 13107):

You may use no more than three words designating your current principal profession, vocation or occupation **OR** the principal profession, vocation or occupation you had during the 12 months immediately preceding the filing of your nomination documents. (e.g. Retired Businessman/Author)

OR:

The title of the office to which you were elected (e.g. Sunnyvale Valley Water District Director). (**NOTE:** you are not limited to three words here) **OR:**

The word "Incumbent" if elected to the same office you seek or "Appointed Incumbent" if appointed to a vacancy in the same office. (**NOTE:** You cannot use the term "Incumbent" or "Appointed Incumbent" with any other designation.)

Example: Incumbent/Businessman (Not Acceptable)

A ballot designation is not required. If you choose, you may leave this line blank. If you leave it blank, you may not add a designation after the filing deadline.

DECLARATION OF CANDIDACY (Continued)

BALLOT DESIGNATION RESTRICTIONS (E.C. § 13107):

The election official shall NOT accept a designation that:

1. Would mislead the voter. You may be required to provide evidence or documentation to support the requested designation.
2. Would suggest an evaluation of a candidate, such as outstanding, leading, expert, virtuous, or eminent.

Examples of ballot designations usually considered to suggest an evaluation are “Best,” “Exalted,” “Prominent,” “Advocate,” “Activist,” “Reformer,” “Pro-” and “Anti-” or anything conveying a philosophy or words connoting a status.

Unacceptable status claims would include “Taxpayer,” “Citizen,” “Patriot,” “Renter,” or “Presidential Appointee.” “Housewife” and “Househusband” are also unacceptable designations.

3. Abbreviates the word “retired” or places it following any word or words, which it modifies.

Examples of **impermissible** designations are “Ret. Teacher” or “Teacher Retired.”

4. Uses a word or prefix, such as “former” or “ex-”, which means a prior status. The only EXCEPTION is the use of the word “retired.”

Example of an **ACCEPTABLE** designation – “Retired Businessman”

Because the Elections Code specifically forbids the use of a prior profession, vocation or occupation, unless the candidate is retired there from, candidates may be required to provide substantiating evidence or documentation in support of the requested designation.

5. Uses the name of any political party, whether or not it has qualified for the ballot.
6. Uses a word or words referring to a racial, religious, or ethnic group.
7. Refers to any activity that is prohibited by law.

All candidates submitting a ballot designation must file the ballot designation worksheet with their Declaration of Candidacy. If a candidate fails to file a ballot designation worksheet no designation shall appear under the candidate’s name on the ballot.

If you have any questions regarding your designation, call the Registrar of Voters at: (800) 773-VOTE or (951) 486-7212.

OATH OR AFFIRMATION OF CANDIDATE (E.C. §§ 200, 10512):

The District Secretary may administer the oath portion of the Declaration of Candidacy (or someone authorized by the district may administer the oath). The oath can also be signed in front of a notary public or a deputy in the Registrar of Voters’ Office.

CANDIDATE'S STATEMENT

(Elections Code §§ 10540, 13307, 13309, 13311, 18351)

Each candidate may prepare a Candidate's Statement on an appropriate form provided by the Registrar of Voters. The Candidate's Statement is intended to acquaint voters with a candidate's qualifications for office. The voluntary Candidate's Statement is printed at the candidate's expense, and will be mailed to all registered voters eligible to vote for that particular candidate.

Time period for filing: The filing period for candidates is May 4, 2015 through May 29, 2015, at 5:00 p.m. The filing period will be extended (for candidates other than the incumbent) to June 3, 2015, at 5:00 p.m., if the incumbent does not file nomination papers. **The Candidate's Statement form must be filed with the nomination papers.**

Filing Location: Registrar of Voters
2724 Gateway Drive
Riverside, CA 92507-0918

Contents: The statement may contain the name, age, and occupation of the candidate and a brief description of no more than 200 words of the candidate's education and qualifications expressed by the candidate. The spacing is to be uniform and conform to the guidelines provided.

Restrictions: The Candidate's Statement shall not include the party affiliation of the candidate, nor membership or activity in partisan political organizations. It must be a statement expressed in the candidate's own words. Any statement containing false information may be punishable by a fine. Candidate statements shall be limited to a recitation of the candidate's own personal background and qualifications and shall not in any way make reference to other candidates for that office or to another candidate's qualifications, character, or activities.

Withdrawal: The statement may be withdrawn, but not changed, during the period for filing nomination papers and until 5:00 p.m. of the next business day after the close of the nomination period. Any request for withdrawal of a Candidate's Statement must be submitted in writing.

Confidentiality of Statements: Notwithstanding any other provision of law, statements filed pursuant to Section 13307 of the Elections Code shall remain confidential until expiration of the filing deadline. Statements will then be available for public inspection.

CANDIDATE'S STATEMENT (Continued)

You must decide whether you do or do not want a Candidate's Statement before you file your Declaration of Candidacy. **The Candidate Statement form must be filed with your Declaration of Candidacy whether or not you choose to file a statement. There is a place on the form to state your decision. If you indicate you are not submitting a statement, you cannot change your mind after it is filed.**

PAYMENT FOR CANDIDATE'S STATEMENT (E.C. §§ 10509, 13307):

Before the nomination period begins, the governing board of your district will decide whether the district or the candidate will pay the cost of the Candidate's Statement. (Most districts require candidates to pay for their Candidate's Statement).

If the candidate pays, then a candidate wishing to submit a statement must pay the full deposit to cover the estimated cost of printing, handling, and mailing of his/her statement. The deposit must be paid by personal check, money order, or cashier's check payable to the **Registrar of Voters** at the time the Candidate's Statement form is filed. No cash will be accepted.

If the district pays, the candidate pays nothing toward the Candidate's Statement and no deposit is required.

NOTE: The deposit is only an **estimate**. It is based on the number of registered voters within the district/area.

If, after the statements are printed and mailed out, the actual cost to each candidate is found to be **greater** than the deposit, the candidate must pay the extra amount. (Every candidate who submits a statement must sign an agreement on the Candidate's Statement form to pay if billed.)

If the actual cost to each candidate turns out to be **less** than the deposit, that portion of the deposit in excess of the actual cost will be refunded. Refunds will be made within 30 days after the election.

POINTS TO NOTE WHEN PREPARING YOUR STATEMENT:

1. You may not change your statement after it is filed.
2. You may not include reference to your political party affiliation or partisan political activity.
3. Making a false statement of material fact with the intent to mislead the voters is punishable by a fine of up to \$1000.
4. You are not exempt from civil or criminal action if you make false, slanderous or libelous statements in your Candidate's Statement.

PROVISIONS OF THE CODE OF FAIR CAMPAIGN PRACTICES
As found in Chapter 5 of Division 20 of the
California Elections Code

Chapter 5. Fair Campaign Practices
Article 1. General Intent

Sample

20400. The Legislature declares that the purpose of this chapter is to encourage every candidate for public office in this state to subscribe to the Code of Fair Campaign Practices.

It is the ultimate intent of the Legislature that every candidate for public office in this state who subscribes to the Code of Fair Campaign Practices will follow the basic principles of decency, honesty, and fair play in order that, after vigorously contested, but fairly conducted campaigns, the citizens of this state may exercise their constitutional right to vote, free from dishonest and unethical practices which tend to prevent the full and free expression of the will of the voters.

The purpose in creating the Code of Fair Campaign Practices is to give voters guidelines in determining fair play and to encourage candidates to discuss issues instead of untruths or distortions.

Article 2. Definitions

20420. As used in this chapter, "Code" means the Code of Fair Campaign Practices.

Article 3. Code of Fair Campaign Practices

20440. At the time an individual is issued his or her declaration of candidacy, nomination papers, or any other paper evidencing an intention to be a candidate for public office, the elections official shall give the individual a blank form of the code and a copy of this chapter. The elections official shall inform each candidate for public office that subscription to the code is voluntary.

In the case of a committee making an independent expenditure, as defined in Section 82031 of the Government Code, the Secretary of State shall provide a blank form and a copy of this chapter to the individual filing, in accordance with Title 9 (commencing with Section 81000) of the Government Code, an initial campaign statement on behalf of the committee.

The text of the code shall read, as follows: (see reverse)

20441. The Secretary of State shall print, or cause to be printed, blank forms of the code. The Secretary of State shall supply the forms to the elections officials in quantities and at times requested by the elections officials.

20442. The elections official shall accept, at all times prior to the election, all completed forms that are properly subscribed to by a candidate for public office and shall retain them for public inspection until 30 days after the election.

20443. Every code subscribed to by a candidate for public office pursuant to this chapter is a public record open for public inspection.

20444. In no event shall a candidate for public office be required to subscribe to or endorse the code.

Chapter 6. Libel and Slander

20500. The provisions of Part 2 (commencing with Section 43) of Division 1 of the Civil Code, relating to libel and slander, are fully applicable to any campaign advertising or communication.

20501. (a) A candidate or state measure proponent is liable for any slander or libel committed by a committee that is controlled by that candidate or state measure proponent as defined by Section 82016 of the Government Code if the candidate or state measure proponent willfully and knowingly directs or permits the libel or slander.

(b) A person who is a sponsor of a sponsored committee, as defined by Section 82048.7 of the Government Code, is liable for any slander or libel committed by the sponsored committee if the sponsor willfully and knowingly directs or permits the libel or slander.

“CODE OF FAIR CAMPAIGN PRACTICES”

There are basic principles of decency, honesty, and fair play which every candidate for public office in the State of California has a moral obligation to observe and uphold in order that, after vigorously contested, but fairly conducted campaigns, our citizens may exercise their constitutional right to a free and untrammled choice and the will of the people may be fully and clearly expressed on the issues.

THEREFORE:

- (1) **I SHALL CONDUCT** my campaign openly and publicly, discussing the issues as I see them, presenting my record and policies with sincerity and frankness, and criticizing without fear or favor the record and policies of my opponents or political parties which merit this criticism.
- (2) **I SHALL NOT USE OR PERMIT** the use of character defamation, whispering campaigns, libel, slander, or scurrilous attacks on any candidate or his or her personal or family life.
- (3) **I SHALL NOT USE OR PERMIT** any appeal to negative prejudice based on a candidate’s actual or perceived race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, martial status, age, sexual orientation, sex, including gender identity, or any other characteristic set forth in Section 12940 of the Government Code, or association with another person who has any of the actual or perceived characteristics set forth in Section 12940 of the Government Code.
- (4) **I SHALL NOT USE OR PERMIT** any dishonest or unethical practice that tends to corrupt or undermine our American system of free elections, or that hampers or prevents the full and free expression of the will of the voters including acts intended to hinder or prevent any eligible person from registering to vote, enrolling to vote, or voting.
- (5) **I SHALL NOT** coerce election help or campaign contributions for myself or for any other candidate from my employees.
- (6) **I SHALL IMMEDIATELY AND PUBLICLY REPUDIATE** support deriving from any individual or group that resorts, on behalf of my candidacy or in opposition to that of my opponent, to the methods and tactics that I condemn. I shall accept responsibility to take firm action against any subordinate who violates any provision of this code or the laws governing elections.
- (7) **I SHALL DEFEND AND UPHOLD** the right of every qualified American voter to full and equal participation in the electoral process.

I, the undersigned, candidate for election to public office in the State of California or treasurer or chairperson of a committee making any independent expenditures, hereby voluntarily endorse, subscribe to, and solemnly pledge myself to conduct my campaign in accordance with the above principles and practices.

CAMPAIGN DISCLOSURE

(Government Code § 81000 et seq.)

State law requires candidates (and their committees, if any) to file one or more **Campaign Statements** disclosing their campaign receipts and expenditures in connection with an election. If a campaign committee has been organized supporting a candidate, the committee must file a Statement of Organization (Form 410).

CANDIDATE INTENTION STATEMENT (FORM 501)

Candidates must file with the Registrar of Voters a Candidate's Intention Statement (Form 501), **before** they solicit or receive any contributions (including loans). Payment from the Candidate's personal funds for a Candidate's Filing Fee or a Candidate's Statement does not count as a "contribution" or "loan". However, all other expenses from the candidate's personal funds are considered contributions.

STATEMENT OF ORGANIZATION (FORM 410)

Candidates receiving contributions from others, or who spend more than \$1000 of personal funds to run for office, must open a campaign bank account at a financial institution in California and mail a Statement of Organization (Form 410) to the Secretary of State within 10 days of opening the account.

Exceptions: The Statement of Organization (Form 410) is not required if the candidate will not be receiving contributions from others and will spend less than \$1000 in a calendar year from personal funds to support his or her candidacy. Payment of a Candidate's Filing Fee or Candidate's Statement is not counted toward the \$1000 expenditure threshold.

Note: If the candidate finds later that he/she will be spending more than \$1000 from personal funds, a campaign bank account must be opened.

As of January 1, 2013, Government Code section 84101.5 requires the Secretary of State to charge each qualified recipient committee that files a Statement of Organization (Form 410) \$50 per year, until the committee terminates pursuant to Government Code section 84214. For questions regarding this new law, please contact the Secretary of State's Political Reform Division at (916) 653-6224.

CAMPAIGN DISCLOSURE STATEMENTS

All candidates must file campaign disclosure statements. This includes candidates who spend no money, or only their own money, on their campaigns. It also includes candidates who unofficially "withdraw" from the race by abandoning active campaigning after the official deadline for withdrawal of candidacy is past.

If less than \$1000 will be raised and spent on your campaign, by you or by others on your behalf, and total campaign transactions for the entire calendar year are under \$1000, your filing obligations in connection with the election are simple; the only campaign statement you need to file is Form 470 (in duplicate). The Form 470 provided in your Campaign Disclosure Packet should be filed along with your nomination material; however, it will be accepted if filed by the first campaign disclosure filing deadline.

CAMPAIGN DISCLOSURE (Continued)

If you file Form 470 but later find that you will reach the \$1000 mark, then you must file Form 470 Supplement and obtain the more detailed campaign statement forms and filing information. Be aware that you must also notify other candidates if you're required to file Form 460 after you have filed the Short Form 470.

If campaign activity during 2015 will involve \$1000 or more, don't use Form 470. Instead, you must use a more detailed form and follow the filing schedule shown in DATES OF INTEREST TO CANDIDATES in this handbook. Contact the Registrar of Voters and the appropriate forms and information manual will be provided to you.

NOTE: A governing body of a district may, by resolution, limit campaign contributions in elections to district offices. You will need to contact your district for further information regarding limitations, if any. (E.C. § 10544)

TERMINATING A COMMITTEE (Applies Only to 460 Long Form Filers – Over \$1000)

Committees may consist of one or more persons and do not automatically terminate; they may only terminate under the following circumstances:

- They have ceased to receive contributions and make expenditures; and
- They do not anticipate receiving contributions, repayments of outstanding loans made to others, or any other receipts in the future, and they do not anticipate making expenditures in the future; and
- They have eliminated or have no intention or ability to discharge all their debts, loans received, and other obligations; and
- They have no campaign funds; and
- They have filed all required campaign statements disclosing all reportable transactions, including disposition of funds.

HOW TO TERMINATE A COMMITTEE

- File an original and one copy of the Form 410 Statement of Organization/Termination with the Secretary of State; and
- File a copy of the Form 410 Statement of Organization/Termination, along with an original and one copy of your Form 460 with the Registrar of Voters.

CAMPAIGN DISCLOSURE (Continued)

IMPORTANT INFORMATION: Even though you terminate your filing obligations as a candidate, if you are elected to office, you will have campaign disclosure filing obligations, as **an officeholder**, for as long as you remain in public office. As an officeholder, you will be required to report campaign activity in connection with your own candidacy or other candidates or measures.

Note: Candidates who file the **Form 470** (Short Form) do not need to fill out termination forms.

FILING RESPONSIBILITY

It is the responsibility of the candidate and/or committee to be aware of and to file the required campaign disclosure statements in a correct and timely manner.

As a courtesy, the Riverside County Registrar of Voters' office mails reminder notices to candidates who, based on nomination documents, appear to have a campaign disclosure filing requirement. This notice is mailed approximately ten days prior to campaign disclosure filing deadline. If a candidate and/or committee with a campaign disclosure filing obligation fails to file in a timely manner, they may be subject to a late filing fee. The non-receipt of a reminder notice may not be utilized as the reason for late or non-filing.

IMPORTANT POINTS FOR CANDIDATES TO NOTE

Money used from your personal funds must be put into your campaign bank account and then withdrawn to pay expenses. You may lend money to your campaign or show it as a contribution depending on your level of activity, and it may be reported just as you would report a contribution from another person. (The law prohibits personal use of campaign funds.)

Anonymous or cash contributions of \$100 or more, and cash expenditures of \$100 or more, are prohibited.

Careful and complete records should be kept of all campaign transactions. Detailed reporting is not required until your campaign reaches the \$1000 mark; however, you should keep in mind that campaign records are subject to audit (by the Fair Political Practices Commission) on a random basis.

There is a special reporting requirement (covered in the FPPC Information Manual) in the event of "late contributions" in the amount of \$1000 or more received or made during the period of August 9 through Election Day.

If you unofficially "withdraw" as candidate after the deadline for official withdrawal, you are still considered a "candidate" and obligated to file all required campaign statements.

CAMPAIGN DISCLOSURE (Continued)

If you have a campaign committee, be sure your treasurer understands his/her responsibilities and is prepared to devote sufficient time and effort to the job. Note that in addition to filing campaign statements a committee is required to file a Statement of Organization (Form 410). This must be filed with the Secretary of State no later than 10 days after the committee's receipts reach \$1000. A \$10 per day late penalty applies if a Statement of Organization is not filed on time.

Note: Committees that form on or after January 1, 2013, must pay a \$50 fee within 15 days of filing a Statement of Organization (Form 410). The fee is due every year thereafter on January 15, until the committee terminates.

File your campaign statements in duplicate with the Registrar of Voters' office. The First Pre-Election and the Semi-Annual Statements may be sent by first class mail (certified mail is recommended); they will be considered filed on the date of the postmark. The Second Pre-Election Statement must be sent by guaranteed overnight delivery or hand-delivered.

All campaign statements are a matter of public record. They may be inspected by anyone, and copies may be purchased at 10 cents per page.

**ORDINANCE NO. 913
(AS AMENDED THROUGH 913.2)
AN ORDINANCE OF THE COUNTY OF RIVERSIDE
REQUIRING ELECTRONIC CAMPAIGN FINANCE DISCLOSURE**

The Board of Supervisors of the County of Riverside ordains as follows:

Section 1. FINDINGS.

1. The Board of Supervisors finds that public access to campaign and lobbying disclosure information is a vital and integral component of a fully informed electorate. Transparency in campaign financing is critical in order to maintain public trust and support of the political process.

2. Since the enactment of the Political Reform Act candidates and committees have complied with filing requirements by filing paper copies of campaign statements and reports. The Registrar of Voters has expended a significant amount of staff time to make such paper filings readily available to the public.

3. In July 2012, the California Legislature approved Assembly Bill 2452 which authorizes local jurisdictions to require the filing of campaign statements and reports solely in an electronic format. The Governor approved the legislation on July 13, 2012 and it took effect on January 1, 2013.

4. The Board of Supervisors finds that by eliminating manual processing of filings, electronic filing requirements will conserve resources and ensure the public has access to information disclosed in campaign statements and reports in a more timely manner. The electronic filing system will operate securely and effectively and will not unduly burden filers.

CAMPAIGN PRACTICES

The Board of Supervisors of the County of Riverside Ordains as Follows:

SECTION 1. PURPOSE AND INTENT.

It is the intent of Ordinance No. 806 to regulate temporary signs which are not regulated by Article XIX of Riverside County Ordinance No. 348 and Riverside County Ordinance No. 679. The purpose of the ordinance is to preserve and enhance the aesthetic, traffic safety and environmental values of our communities and growing commercial and industrial areas, while at the same time, providing channels of communication to the public. It is the County's intent to regulate non-permanent signs based on their size, height, number, location and duration and to allow more non-commercial signs during election periods to encourage public debate. The County finds that it is in the interest of both aesthetics and traffic safety that signage be kept to a minimum. It is the intent of this sign ordinance to enhance traffic safety by ensuring that signage does not distract, obstruct or otherwise impede traffic circulation. The County finds that signs which exceed the dimensions, design and location restrictions specified in this ordinance are unreasonable and adversely affect public welfare and safety, including traffic safety.

All signs described herein shall conform to the applicable provisions of this ordinance. If any specific zoning classification within Ordinance 348 shall impose more stringent requirements than are set forth within this article, the more stringent provisions shall prevail.

FREQUENTLY ASKED QUESTIONS (Continued)

Q. When am I considered a Candidate?

A. You are considered a candidate when your nomination documents have been filed and verified.

Q. What happens if I change my mind about running for office after I have filed my nomination documents?

A. You can withdraw anytime up to the close of the nomination period. Withdrawal must be submitted in writing to the Registrar of Voters' Office. After the nomination period closes, you are not permitted to officially withdraw and your name will appear on the ballot. It is the candidate's responsibility to inform voters that he/she does not want to be elected to office.

Q. What determines the order in which my name will appear on the ballot?

A. A random alphabet drawing is conducted by the Secretary of State, which determines the order that candidates names will appear on the ballot.

Q. Is your office open during the lunch hour?

A. Yes, our business hours are Monday through Friday, 8 a.m. to 5 p.m.

Q. May someone else file nomination documents on my behalf?

A. Election law does not specifically prohibit another person from filing nomination papers for a candidate; however, candidates are urged to file in person for the following reasons:

1. The oath of affirmation must be administered by a deputy of the Registrar of Voters' office, an authorized public official, or a notary public. It is much easier for a candidate to file the nomination papers in person and have the oath administered at the time he or she files.
2. The signature of the candidate, as well as other data, is required on many documents involved in the nomination process. If through an oversight the nomination papers are incomplete; the problem can easily be rectified when a candidate files in person.

Q. What happens if I'm the only candidate?

A. If you are the only candidate for a special district office, you will be appointed by the Board of Supervisors.
