In-person voting options available at voter assistance centers throughout Riverside County

Registrar of Voters, Rebecca Spencer, is urging Riverside County voters to vote early ahead of the Nov. 3 presidential general election. This election voting is different with new options allowing voters to vote in-person over a 4-day window. Voter Assistance Centers will be open Oct. 31 through Nov. 3, 2020 – for locations and hours visit www.voteinfo.net.

Each Voter Assistance Center will serve as a fully functioning voting location that mirrors a traditional polling place. This means that every ballot cast during the 4-day in-person option is processed and counted the same way. By voting in advance of Nov. 3, voters will experience less wait times (or no wait times when voting at home) so there is no need to wait until Election Day to cast a ballot.

Call the registrar's office at (951) 486-7200 if you have questions about your eligibility to vote.

Registrar of Voters Rebecca Spencer encourages every eligible voter to cast a ballot in the election.
