Bilingual Pollworkers Needed

At 7:00 a.m. on Tuesday, June 5, 2012, all of the polling places in Riverside County will be opened for voters to cast their ballots in the very important Presidential Primary Election. At the present time, we still have openings for Bilingual Poll Workers throughout the county. Riverside County's Latino population is growing and so is the demand for bilingual assistance at the polls.

Poll workers attend special 2.5-hour training classes to assist them in doing their job and familiarizing themselves with the election procedures.

- No experience is required—you will be trained.
- Poll workers must be a citizen of the United States and a registered voter.
- Earn up to \$125 as an Inspector, plus \$20 for attending a 2.5-hour training class; or \$90 as a Precinct Officer, plus \$20 for attending a 2.5-hour training class, for assisting voters on Election Day.

Persons interested in participating in this vital and interesting process should call the Registrar of Voters Office, Election Officers and Polls Division, at (951) 486-7341 or (877) 663-9906.
