LESLIE SATTLER

AGE: 61

OCCUPATION: Retired Teacher

EDUCATION AND QUALIFICATIONS:

Let me introduce myself;

My name is Leslie Sattler, I am a wife, mother and retired teacher. I worked as a teacher in Banning Unified School District for 14 years where I taught 6th, 7th and 8th grade at Nicolet Middle School, then 1st grade at Cabazon Elementary School. I also served on the Negotiations Team for the Banning Teachers Association. I feel that my experiences as a parent, teacher and negotiator have given me three unique perspectives on what is best for students, as well as teachers, keeping in mind the parameters a school board must work within. By electing me, you should see better schools for our children, as well as a better community stemming from well educated students. I look forward to the challenge of finding and implementing solutions for our students in an increasingly technological society. I plan to begin by listening to the concerns and needs of the teachers and parents and use this input as my framework for decision making.

MAYRA ANGUIANO

OCCUPATION: Parent

EDUCATION AND QUALIFICATIONS:

Born and raised in Banning, I have seen the continued growth in the town's diverse population. Being a first generation to be born in the United States, education was highly valued growing up. After receiving my B.S. degree in Psychology from UCSD and a M.S. degree in Child Life Specialist from LLU, my husband and I chose to establish our family in Banning. There are many advantages to being part of a small town including being able to be an active parent in our children's education and creating positive and long-lasting relationships with educators. Most importantly, outside of our hometown there are endless amount of possibilities for growth that can be used to make a positive impact in our overall community. As a parent I want to ensure that our children have the best education possible in order to succeed in today's world. We need to give them the tools that are necessary to overcome challenges and adversity. If our current education system does not have those resources, we need to find them. I will be an advocate for our children as it is the most impactful way that we can ensure that future generations will succeed in our society.

LAURA TROUTMAN

AGE: 33

EDUCATION AND QUALIFICATIONS:

My name is Laura Troutman, and I'm running for school board to make improvements in the Banning Unified School District (BUSD). These kids are our future, and I feel it is our job as parents and community members to assure our kids get the best education possible. As a mother of three, whose children attend BUSD schools, I understand the importance of a child's education and my goal is to see that every child succeeds. Recently our district has experienced a strike. This was a clear breakdown in communication and if elected I will take an active role in ensuring that we continue to attract, obtain, and train the highest quality of educators to mold the young minds in our community. I have decided to run after many conversations with Cabazon elementary teachers and I have gained their support. I am also being endorsed by the Banning Teachers Association, and I hope to gain your support as well, so we as a community can reach the goal of making Banning Unified the best in the county once again.

I intend to create a dialogue between both generations to help all our citizens communicate better. My sole purpose is to promote change and growth in the community while holding focus on the diversity that makes our village unique. Everything cannot be perfect, but I am perfectly content to be someone who is at the table making decisions that will affect the lives of the people in our community who help us come together. **OCCUPATION: City Council Member
EDUCATION AND QUALIFICATIONS:**

I came to Riverside in 1971 to continue my education at UCR and have lived here ever since. While at UCR I met and married my wife Joyce. Our three children all graduated from Riverside public schools.

While in graduate school, I went to work for Southern California Edison where I held a variety of professional and managerial positions during my 23-year career. After leaving Edison I worked for three local businesses before becoming your councilmember in 2007. I have worked hard to represent you well and will serve another term if you elect me.

Riverside will see three new councilmembers elected this year. My knowledge and experience are critical to Riverside's future as we deal with the challenges of homelessness and the budget deficit. I will mentor the new councilmembers.

I will bring better programs, particularly in mental health and drug addiction, coupled with enforcement to address homelessness. We cannot cut our way out of the budget crunch; we must earn our way by promoting smart economic growth and development while maintaining city services.

WARREN AVERY

OCCUPATION: Businessman / Father

EDUCATION AND QUALIFICATIONS:

Riverside is a great city. That's why I moved here 30 years ago. That's why my wife, Jennifer, and I raised our family here. That's why I'm running for City Council.

The biggest challenge Riverside faces is the Homeless Crisis.

Some believe there is a simple solution to homelessness. Yet Riverside's homeless population increased almost 20% since last year.

Others say homelessness can't be resolved. They place the blame on Sacramento and the courts.

Both are excuses to do nothing and I find that unacceptable!

I am the only candidate with a realistic, detailed plan to effectively deal with Riverside's Homeless Crisis. You can read it at WarrenAvery.com

In addition to tackling homelessness, if elected as your next City Councilmember, I pledge to:

Fight to improve the safety of our neighborhoods and parks.

Balance the city budget without new debt or taxes.

Work closely with our schools to support our students.

Working together I know Riverside can continue to be a great city where people choose to live, work, and play.

I am honored to have the support of our Mayor, Rusty Bailey. I would be honored to have your vote and serve you on the City Council.

SEAN MILL

AGE: 53

OCCUPATION: Businessman / Planning Commissioner

EDUCATION AND QUALIFICATIONS:

Riverside faces an increasing homeless crisis we cannot afford to ignore.

Addicts and alcoholics have taken over many city parks. They harass people at the store. They break into homes and businesses. Our quality of life is being destroyed.

If elected, I will work every day to bring the homeless crisis under control.

My common sense plan to deal with this homeless crisis provides a helping hand to those who will take it - requires drug and alcohol counseling for anyone who accepts housing assistance - has zero tolerance for those who break our laws.

I support hiring more police officers to combat rising violent crime and reduce property crimes like mail theft.

Additionally, I will hold City Hall accountable for how it spends your taxes. Riverside was rated as a "Sinkhole City" because of its budget deficit. I refuse to accept special interest dark money for my campaign. This means I will always fight for you, not any special interest, on the Council.

I am honored to have the support of Mayor Rusty Bailey and our retiring Councilmember Chris Mac Arthur. I would be honored to have your vote on November 5th.
