LOGIC AND ACCURACY VOTING SYSTEM TESTING FOR THE NOVEMBER 5, 2024, PRESIDENTIAL GENERAL ELECTION

The Riverside County Registrar of Voters is inviting the public and all interested parties to the logic and accuracy testing for the voting system in preparation for the upcoming November 5, 2024, Presidential General Election.

On October 4, 2024, commencing at 10:00 a.m., the Registrar of Voters' team will conduct logic and accuracy tests, a critical step in ensuring the integrity and reliability of the voting process. The testing will involve processing ballots containing selections for every candidate or measure in every contest, followed by the tallying of results. These tests are designed to evaluate the performance of the voting system, assuring voters that their choices will be accurately recorded.

The logic and accuracy tests will be conducted by the Registrar of Voters staff to uphold election accuracy and security. Transparency is a key aspect of the election process, and the public is encouraged to attend these tests to witness firsthand the accuracy and reliability of the voting system.

Event Details:

Date: October 4, 2024

Time: 10:00 a.m.

Location: 2724 Gateway Drive, Riverside, CA 92507

All aspects of the voting process are open for observation to the public. For additional details and inquiries, please contact the Riverside County Registrar of Voters at (951) 486-7200.

The Registrar of Voters remains committed to conducting fair and transparent elections, ensuring that every vote is accurately counted in the November 5, 2024, Presidential General Election.
