Vote Centers to Open Saturday for the 2024 Presidential General Election

Riverside County voters will be able to cast their ballot at one of 20 vote centers in Riverside County starting Saturday, October 26 for the 2024 Presidential General Election. An additional 130 vote centers will open on Saturday, November 2.

With 150 vote centers soon to be operational, residents can vote in-person or return their completed vote-by-mail ballot. Voters are not assigned to a specific location and may cast their ballot at any available vote center. Eligible residents can also register to vote or update their registration at a vote center.

In addition, any registered voter may opt to mark a paper ballot or use a touch screen, which is an accessible voting unit available at all vote centers. The voter then casts their ballot into the ballot box or scans their ballot into a ballot scanner.

For voters who wish to return their vote-by-mail ballots at a drop box location, the Registrar of Voters has 106 official ballot drop-off locations throughout the county. Drop boxes have been available since October 7 and will remain through 8 p.m. on Election Day.

A comprehensive list with dates and hours of operation, as well as a map of vote centers and ballot drop off locations are available at voteinfo.net.

Media representatives who wish to visit a vote center are asked to notify the registrar's office prior to arrival.
